

Casa Rustica

كارا رستيكا

A touch of history
لمسة تاريخية

For over 100 years, Hempel has been providing markets around the world with high-quality, innovative coatings that prioritize the safety of the client and the environment.

Today, our decorative paints range caters to different customer needs in the Middle East, Southern Europe and China. Our wide range includes exterior and interior products, outstanding Emulsions and Enamels, special effects paints and complete paint systems that are preferred by contractors and architects.

Preparation guide:

- 1- Surface should be stable, firm, dry and free of contaminants like dust, loose old paint, laitance, dirt, oil and grease ,etc.
- 2- Surface temperature required during application should be above 5 degrees centigrade and relative humidity below 85%.
- 3- No thinner is required.
- 4- Although application of Casa Rustica is very easy, it should be applied by a professional painter for optimal results.

Painting system:

- 1- Apply one coat of Topaz Acrylic Tex Primer using a roller and leave it until fully dried.
- 2- Apply Topaz Exterior Filler only if needed and leave it until fully dried, then sand it.
- 3- Apply one coat of Topaz Matt Emulsion in the same colour as the selected Casa Rustica.
- 4- Use a flat trowel to spread Casa Rustica evenly and cover the entire surface.
- 5- Use a wet plastic trowel to create different Casa Rustica finishes.

Casa Rustica

A touch of history on your exterior walls. Casa Rustica gives you an old textured finish that embellishes and protects your facade. Different patterns can be obtained by using different tools and application methods.
