Marine colourcard

The colours shown are a close approximation of the colours available in our standard assortment. Anticorrosive primers and finishes are only available in a limited number of colours. For topcoats a wide range of additional shades are available at many of our stock locations or by special arrangement. For product description, technical data and use of the products please refer to the product data sheets and specifications, or enquire at your local Hempel office.

As a world-leading supplier of trusted coating solutions, Hempel is a global company with strong values, working with customers in the protective, marine, decorative, container and yacht industries. Hempel factories, R&D centres and stock points are established in every region.

Across the globe, Hempel's coatings protect surfaces, structures and equipment. They extend asset lifetimes, reduce maintenance costs and make homes and workplaces safer and more colourful. Hempel was founded in Copenhagen, Denmark in 1915. It is proudly owned by the Hempel Foundation, which ensures a solid economic base for the Hempel Group and supports cultural, social, humanitarian and scientific purposes around the world.
