GENERAL

By accessing, browsing and/or using this website, the user acknowledges acceptance of the terms and conditions therein, which apply to all visits to this website. All the information contained in this website is provided under explicit reservation of rights and subject to your acceptance of the terms and conditions set out in this Legal Statement. No rights can be derived from the contents of this website. In particular, HEMPEL A/S and any of its subsidiaries and/or affiliates cannot be held liable for any consequences arising out of or in connection with the information provided on this website and/or provided on websites accessed through hyperlinks available on this website.

The information, materials and graphics available on this website may be subject to change without notice.

Although this website is regularly updated, the information, materials and graphics available on this website may be incomplete, out of date or incorrect. Please enquire directly with HEMPEL A/S at +45 45933800 before taking any action in relation to any information contained herein.

The information contained in this website constitutes an invitation to treat and should not be construed as an offer.

All transactions are subject to HEMPEL A/S "General Terms and Conditions of Sale and Services".

TRADE MARKS

HEMPEL A/S and any other names or logos relating to products or services of HEMPEL A/S and/or its subsidiaries and/or its affiliates appearing on this website are trade marks or registered trade marks belonging to HEMPEL A/S and/or its subsidiaries and/or its affiliates.

COPYRIGHT

The copying, modification or incorporation into any other work of all or part of the information, material or graphics available on this website in any form is prohibited except that you may:

- (1) Print and/or download extracts of information, material or graphics on this website for non-commercial and informational use within your organisation;
- (2) Copy (including by way of electronic mail) information, material or graphics on this website for the purpose of sending it to third parties for their non-commercial and informational use provided (i) you acknowledge in writing that HEMPEL A/S is the source of such information, or material or graphics and (ii) you inform in writing such third parties that such information, material or graphics is provided subject to the terms and conditions of this Legal Statement; and
- (3) Print and/or download extracts of, and/or copy (including by way of electronic mail), information, material or graphics on this website for educational purposes provided you seek prior written permission to this effect from HEMPEL A/S.

DISCLAIMER

All the information, material or graphics contained in this website is provided under explicit reservation of rights and no rights can be derived from it.

Neither HEMPEL A/S or any of its subsidiaries or affiliates makes any representations or warranties with respect to, and to the extent provided by law no implied warranty may be inferred from, the information, material or graphics contained in this website, which has been compiled in good faith and to the best of HEMPEL A/S knowledge for informational purposes.

HEMPEL A/S and any of its subsidiaries and affiliates expressly exclude, to the maximum extent permitted by law, all representations, warranties, liabilities, obligations, terms and conditions (whether express or implied, arising out of contract, statute or otherwise and irrespective of the negligence of HEMPEL A/S or of any of its subsidiaries or affiliates, their employees or agents) relating to or in connection with the information, material or graphics contained in this website. In particular, neither HEMPEL A/S nor any of its subsidiaries or affiliates shall be held liable for any consequences (including any special, indirect, consequential or other loss and whether in contract, negligence or other tort) arising out of or in connection with the information, material or graphics contained in this website.

PRIVACY POLICY

Collection and Use of Users' Details.

For statistical purposes, Hempel uses software programs to create summary statistics, which are used for assessing web traffic, determining technical design specifications, and identifying system performance or problem areas.

Personal details (e.g. name and e-mail address) are only collected from visitors who sign up for the Newsletter.

Hempel does not sell, trade, exchange or otherwise make available any personally identifiable information to third parties, unless given specific permission for a designated purpose.

LINKS TO THIRD PARTY WEBSITES

Please note that the links on this website to third party sites are provided for your convenience only and are not under the control of HEMPEL A/S and/or of any of its subsidiaries and/or affiliates. In particular, these third party links do not express any form of preference for, or endorsement of the quality of, such third party sites or the products and/or services available on or through such third party sites on the part of HEMPEL A/S.

Neither HEMPEL A/S nor any of its subsidiaries or affiliates shall be held liable with respect to the contents of third party sites accessible from links on this website or from links on such linked sites."
